COMPANY SUMMARY

PRO-TEC Safety Consultant Inc. (PRO-TEC Safety), established in 2014, is a minority-owned small business specializing in providing Construction Safety Management services to clients in the federal, state, and local governments as well as private sectors throughout California.

From project start-up through project completion, PRO-TEC Safety Consultants Inc. offers expertise in a variety of projects in the Port/Aviation, Water Infrastructure, Medical, Transportation, Building, Medical & Rail markets.

Ralph Morales, the founder of PRO-TEC Safety, is a multi-credentialed safety professional with over 3 decades of experience in heavy civil construction and safety management. His background includes, program safety management, project safety management, loss control, safety instruction, safety program development and site safety support services. Mr. Morales is also extremely involved in the safety community and has served as a past member of the Cal-OSHA Standards Board, the Cal-OSHA Advisory Committee, and President of the American Society of Safety Professionals, Central Valley Chapter.

The PRO-TEC Safety Consultants Inc. team has a proven track record of accomplishing goals with outstanding professionalism with over 35 + years of construction experience and more than 17 years dedicated to Loss Control and Safety Management services. PRO-TEC Safety provides cost effective solutions on all projects to maintain culture, reduce risk and to enhance safety.
